

## GMJF RESEARCH GRANT APPLICATION GUIDELINES

1. Before preparing an application, refer to “Eligibility,” “Purpose,” “Terms of Grant” and “Evaluation of Grant Proposals” as listed in the GMJF RESEARCH GRANT PROGRAM INFORMATION AND POLICIES.
2. Research requests should include:
  - a) GMJF Application for Research Grant Form.
  - b) Project description: 3 page maximum, 11-point type, ½ inch margin minimum (not including references). Note: The Evaluation Criteria is attached. These evaluating criteria will be used by the MD Center Faculty and the GMJF Grant Committee.  
**Applications with project descriptions exceeding three pages will not be accepted.**
  - c) Non-scientific summary (1 paragraph, ½ page maximum) This summary may be used by the GMJF Board to advise donors on how their gifts are used.
  - d) Letter(s) of support from key project collaborator(s).
  - e) NIH format Biosketch, references and other support for Principal Investigator (PI).
  - f) One year budget and justification.
3. Submission Process:
  - a) Electronically submit the application and attachments as referred to in item 2 in one pdf document to [foundation@gregmarzolfjr.org](mailto:foundation@gregmarzolfjr.org). Grant applications are due by **noon on Monday, November 15, 2021**. Applications that arrive late will be returned. Due to COVID-19, funding decisions will be communicated to grant recipients directly instead of being announced at the Cause to Cook for a Cure Gala. Grant funding decisions are also communicated to our donors to encourage additional support and revenue.
  - b) Please note our past language surrounding grantee involvement in our foundation. COVID-19\* has changed some of the requirements of grant recipients. In this document we have retained language from past years. We’ll inform you if there is an event that we would like you to attend in 2022.

\*Pre-COVID-19 grant requirement: Awardees are required to attend and/or volunteer for at least one of the two Greg Marzolf Jr. Foundation events in the year following their award. The two Greg Marzolf Jr. Foundation events are Rock the Pavement 10K 5K, & Kids Run in August, and the Cause to Cook for a Cure in January.

Funding guidelines require that research involving the use of human or animal subjects, biohazardous materials, etc., must be approved by the appropriate University of Minnesota committee. An application will be accepted if approval is pending, but funds will not be released in support of an award until approval has been confirmed. For further information contact your department administrator.

## GMJF RESEARCH GRANT APPLICATION COVER SHEET

Principal Investigator Name \_\_\_\_\_

Rank \_\_\_\_\_ Department \_\_\_\_\_

Principal Investigator Email \_\_\_\_\_

Grant Application Contact Email (if different than PI) \_\_\_\_\_

Project title \_\_\_\_\_

1. Provide a brief description (3 pages maximum, not including references) of the project's purpose, methods and goals. Note: The Evaluation Criteria is attached. These evaluating criteria will be used by the MD Center Faculty and the GMJF Grant Committee.
2. Provide a one paragraph (half page maximum) non-scientific summary of the project emphasizing its anticipated significance.
3. Name(s) of project collaborator(s)

\_\_\_\_\_  
\_\_\_\_\_

4. Provide NIH format biosketch, references and other support for the PI.
5. Total funding requested \$ \_\_\_\_\_
6. Provide an itemized 1 year budget and justification. List salaries, benefits, supplies, equipment, etc.
