

## GMJF RESEARCH GRANT APPLICATION GUIDELINES

1. Before preparing an application, refer to “Eligibility,” “Purpose,” “Terms of Grant” and “Evaluation of Grant Proposals” as listed in the GMJF RESEARCH GRANT PROGRAM INFORMATION AND POLICIES.
2. Research requests should include:
  - a) GMJF Application for Research Grant Form.
  - b) Project description: **3 page maximum**, 11-point type, ½ inch margin minimum (not including references). Note: The Evaluation Criteria is attached. These evaluating criteria will be used by the MD Center Faculty and the GMJF Grant Committee.  
**Applications with project descriptions exceeding three pages may not be accepted.**
  - c) Non-scientific summary (1 paragraph, ½ page maximum) This summary may be used by the GMJF Board to advise donors on how their gifts are used.
  - d) Letter(s) of support from key project collaborator(s).
  - e) NIH format Biosketch, references and other support for Principal Investigator (PI).
  - f) One year budget and justification.
3. Submission Process:
  - a) Electronically submit the application and attachments as referred to in item 2 in one pdf document to [foundation@gregmarzolfjr.org](mailto:foundation@gregmarzolfjr.org). Grant applications are due by **noon on Thursday, February 15, 2024**. Applications that arrive late will be returned. Funding decisions will be communicated directly to grant recipients **on or before March 21, 2024**. There will be a GMJF Grant Recipient Announcement to our donors at the **April 13, 2024 Spring Gala**. Grant funding decisions are communicated to our donors to encourage additional support and revenue.
  - b) Please note that in the past we have asked for grantee involvement in our foundation. COVID-19\* has changed some of the requirements of grant recipients. We hope grant recipients will be able to attend the Spring Gala and attend other fundraising events sponsored by GMJF. If unable to attend the Spring Gala, we ask to be informed.

\*Pre-COVID-19 grant requirement: Awardees were required to attend and/or volunteer for at least one of the two Greg Marzolf Jr. Foundation events in the year following their award.

Funding guidelines require that research involving the use of human or animal subjects, biohazardous materials, etc., must be approved by the appropriate University of Minnesota committee. An application will be accepted if approval is pending, but funds will not be released in support of an award until approval has been confirmed. For further information contact your department administrator.
